- Up to, but not in excess of \$500.00 to any one chapter per academic year

The student chapter faculty advisor must sign the completed application to verify the need for such funding and that it arises from an AAEP sponsored activity. Forms can be downloaded under the AAEP Chapter Activity Assistance Request from the AAEP Web site at <http://www.aaep.org/students>.

*****In order for AAEP student chapters to be eligible for funding for any AAEP-related activity, the chapter will be responsible for opening and maintaining a bank account that will accept checks made payable to the student chapter.
