

AAEP GEORGE STUBBS AWARD

Purpose:

The George Stubbs Award recognizes the contributions made to equine veterinary medicine by individuals other than veterinarians. The award is named for George Stubbs (1724-1806), the artist and teacher who played a vital role in veterinary education. He studied and taught anatomy at York Hospital in England, using detailed drawing as a guide to equine anatomy. His reference book, *Anatomy of the Horse*, published more than 200 years ago, is still universally recognized as an authoritative anatomical depiction.
